

SAMPLE PLAN – PRINCIPAL

Goal 1: Learn more about the No Child Left Behind (NCLB) law and the potential effect on my school in order to address the requirements of the law.

Goal 2: Increase my knowledge of dealing with the media to create a positive public outlook of my school.

Goal 3: Increase my Internet skills in order to better meet the demands of a principal's position.

Activity #1	Attend a workshop on NCLB requirements.
Related Goal(s): #1	This activity relates to Goal #1 because it will provide me with basic information on the NCLB law.
CSIP Goal: #2 School Culture and Instructional Program	This activity relates to CSIP Goal #2 because it will help me understand how NCLB could compel a change to my school's instructional program. More specifically, it relates to Goal 2 Strategy I on the change process for systems, organizations, and individuals, and Performance Indicators Goal 2 Strategy P on barriers to students' learning and Goal 2 Strategy S on a culture of high expectations.
District/Building PD Plan Goal: #4	This activity relates to PD Plan Goal 4 because it deals with my knowledge of instructional practices.
Activity #2	Attend a workshop on School Improvement Plans.
Related Goal(s): #2 School Culture and Instructional Program.	This activity is related to Goal #2 because it will help me understand how a School Improvement Plan can be used to shape my school's instructional program.
CSIP Goal: #3	This activity is related to CSIP Goal 3 because it deals with my knowledge of instructional practices.
District/Building PD Plan Goal: #5	This activity relates to PD Plan Goal 5 because it deals with my knowledge of district practices.
Activity #3	Attend an Missouri Principals Association workshop on dealing with the media.
Related Goal(s): #2	This activity is related to Goal #2 because it will provide me with basic information, tips, and ideas on how to deal with the media in general.
CSIP Goal: #1 Facilitating a Vision of Learning and #4 Collaboration with Families and Communities	This activity is related to CSIP Goal #1 because it will prepare me to share my school's educational vision with interested parties. This activity is also related to CSIP Goal 4 because it will provide some tools to collaborate effectively with interested parties.
District/Building PD Plan Goal: #2	This activity is related to PD Plan Goal 2 because it is linked to improving my knowledge and skills of administrative procedures.

Activity #4	Conduct research on how other schools with positive reputations acquired that reputation and how they maintain it.
Related Goal(s): #2	This activity is related to Goal #2 because it will provide me with specific examples of actions needed to improve the public view of my school.
CSIP Goal(s): #1 Facilitating a Vision of Learning	This activity is related to CSIP Goal #1 because it will help me promote the success of my school's students and staff.
District/Building PD Plan Goal: #2	This activity is related to PD Plan Goal #2 because it deals with administrative procedures.
Activity #5	Enroll in a course on the use of the Internet from a local computer company.
Related Goal(s): #3	This activity is related to Goal #3 because it will provide me with basic operating skills to utilize the Internet.
CSIP Goal(s): #2 School Culture and Instructional Program	This activity is related to CSIP Goal #2 because it involves improving my knowledge and skills in the overall effort to promote the success of students.
District/Building PD Plan Goal: #2	This activity is related to PD Plan Goal #2 because it deals with improving my skills and knowledge of administrative procedures.
